SETACO – Learnerships & Skills Development Opportunities (South Africa)

Visit: https://www.setaco.co.za

If you're looking for learnerships, skills programmes, and career opportunities, this platform shares helpful information to guide you.

What SETACO Offers:

- Learnership opportunities

- Skills development programmes

- Internship & training information

- Career guidance for youth

The platform focuses on helping South African youth gain practical skills and workplace experience through structured programmes that combine learning and real work exposure.

Example Opportunities:

- Skills programmes with stipends (around R5,600/month)

- Logistics learnerships with real work experience

- ICT & entrepreneurship training

Who Should Use It?

- Unemployed youth

- School leavers (Grade 11+)

- Anyone looking for skills training

- People wanting to enter the job market

Important Tip:

Always verify opportunities before applying and avoid sharing personal details with untrusted sources.

Why It's Helpful:

- Easy access to opportunities

- Focus on practical skills

- Helps improve employability
